IN RE:  MCLEODUSA TELECOMMUNICATIONS SERVICES, INC.	DOCKET NO. RN-00-9
--	--------------------

**ORDER CLOSING DOCKET**

(Issued October 11, 2000)

On August 18, 2000, McLeodUSA Telecommunications Services, Inc. (McLeodUSA), filed an application with the Utilities Board (Board) requesting the approval of a non-standard rate increase notification pursuant to 199 IAC 7.4(1)"d." McLeodUSA stated that it was proposing to increase prices for the last return call feature in some of the exchanges it serves. Rather than send the standard notice provided in 199 IAC 7.4(1)"c," McLeodUSA proposed to send its own notice.

After discussions with Board staff, McLeodUSA used the standard form in 199 IAC 7.4(1)"c." The application is now moot and the docket will be closed.

**IT IS THEREFORE ORDERED:**

Docket No. RN-00-9 is hereby closed.

**UTILITIES BOARD**
